

City of Nampa
Special Council Meeting
Transportation Open House/Workshop
07-18-2018
Location: Nampa Civic Center – South Banquet Room
4:00 pm – 6:00 pm

Transportation Master Plan Agenda

- 1-1. Open House and Workshop

Please join us for the **final meeting** for the **Nampa Transportation Master Plan**. The final meeting will be an open house on **Wednesday, July 18, 2018**.

We value the input we have received from the community at the previous meetings. Since our last meeting in February, we have been developing a draft list of transportation improvements for Nampa. We will present those improvements at the meeting for your review and input.

You can find more information about the plan as well as summaries from previous meetings on our [website](#).

Community Open House – Nampa Transportation Master Plan
Wednesday, July 18, 2018
4 to 6 p.m. (*Stop by anytime*)
Nampa Civic Center – South Banquet Room
311 3rd St S, Nampa

The Nampa Transportation Master Plan is the blueprint for managing a safe roadway network in Nampa, including roads, highways, sidewalks and bicycle lanes. It also guides City staff, City Council and transportation agencies each year when choosing which projects should receive funding. The Nampa community has a significant role in the development of the plan.

Please feel free to contact me if you have any questions.
