Before the Planning and Zoning Commission
March 26, 2019

STAFF REPORT – PUBLIC HEARING #1
(Continued from 10/23/18 Meeting and then from the 1/8/19 Meeting.)

Conditional Use Permit for a Home Occupation Day Care for up to 12 children at 1023 E. Sheridan Ave. for Mary Luna DBA Mary’s Day Care (CUP 121-18).

Applicant: Mary Luna DBA Mary’s Day Care
File No: CUP 121-18

Prepared by: Norman L. Holm
Date: March 18, 2019

Requested Action: Conditional Use Permit
Purpose: Home Occupation Daycare for up to 12 Children

GENERAL INFORMATION

Status of Applicant: Owner/Operator (Home Renter)

Existing Zoning: RS 6 (Single Family Residential – 6,000 sq. ft.)

Location: 1023 E. Sheridan Ave.

Size of Property: A .10 acre or 4,300 sq. ft. parcel being the east 86’ of Lot 1, Block 12, Kurtz Addition, and a portion of the SE 1/4, Section 27, T3N, R2W, BM

Surrounding Land Use and Zoning:
North- Single family residential, RS 6
South- Single family residential, RS 6
East- Single family residential, RS 6
West- Single family residential, RS 6

Comprehensive Plan Designation: Medium Density Residential
Zoning and Planning History: Constructed as a single-family residential property. Applicant is rents/resides in the home and is the owner/operator of the Day Care.

The Planning and Zoning Commission originally opened the public hearing at the October 23, 2018 meeting. The hearing was continued to the January 8, 2019 meeting.

At the January 8th meeting the applicant indicated the following:
- Ms. Luna stated she had just renewed her lease for another year for 1023 E Sheridan Ave and was now requesting another month or two to make arrangements for the requirement to widen the door.
- According to Ms. Luna, now that she had made the decision to stay at the 1023 E Sheridan location, she wanted to pursue the Home Occupation for up to 12 children, but still needed time to accomplish the Fire Department requirement of widening the second egress door.
- At the present time, continued Ms. Luna, she was only caring for four children and was not required to comply with the door widening.
- According to Ms. Luna, she wanted to proceed with the C-U-P for up to 12 children in case she had more children to care for in the future.
- Ms. Luna requested the Conditional Use Permit public hearing be continued for a month or two to allow her time to arrange for widening of the egress door.

The applicant/renter’s home did still not currently meet the Nampa Fire Department exiting requirements for a Licensed Group Daycare (up to 12 Children). The Commission determined to continue the hearing for possible decision at the March 26, 2019 meeting.

Staff contacted the applicant Ms. Luna on March 19th asking if the desire was to proceed with action on the CUP application. Ms. Luna indicated that issues had arisen with utilities serving the dwelling and that they were being evicted. She indicated that once a new location was determined she would again apply for a CUP for a Home Occupation Day Care at the new location. It was explained to Ms. Luna that the current CUP proceedings would be terminated, and no further action would be taken by the Commission regarding the 1023 E. Sheridan location other than to deny the original application.

Applicable Regulations: Section 10-3-2 requires a conditional use permit for a home occupation daycare for up to 12 children in RS zones.

Chapter 25 sets forth the criteria of approval and required findings. These criteria essentially require that the use be compatible with and not adversely affect the livability or appropriate development of the surrounding neighborhood.

Description of Proposed Uses: The applicant proposes to operate a home occupation daycare for up to 12 children within the residential dwelling and yard area. The outside yard area is fully landscaped. It does not appear that a significant portion of the outside yard area is fenced. A small approximately 5’ by 27” or 135 sq ft. area on the south side of the house has been fenced. Playground equipment is situated in the unfenced front and side yard areas adjacent the corner of E. Sheridan Ave. and S. Diamond St.

SPECIAL INFORMATION

Public Utilities: All available
Public Services: All present

Transportation: The parcel has street and driveway access from E. Sheridan Ave. Off-street parking for 4 cars exists within the driveway and carport. On-street parallel parking for 4-5 cars exists along E. Sheridan Ave. and S. Diamond St.

Per the Engineering Division trip generation reports by the Institute of Transportation Engineers for daycare facilities with up to 12 children create, on average, the following number of trips: AM Peak – 14 vehicle trips, PM Peak – 12 vehicle trips.

Physical Site Characteristics: No changes in the existing physical site characteristics are proposed.

Environmental: Home occupation daycares are compatible with single family residential neighborhoods and have little or no impact on adjoining properties and provide an essential service to area residents and to the city.

Aesthetics/Landscaping: The outdoor yard area around the home and proposed daycare facility is landscaped and compatible with residential living.

Correspondence: As of the date of this memo no correspondence or communication has been received from any neighboring property owners or residents concerning their support for or opposition to the requested conditional use permit for a home occupation daycare for up to 12 children. Code Enforcement has expressed no code violations or complaints from neighbors.

The applicant did not meet Nampa Fire Department exiting requirements for aLicensed Group Daycare (up to 12 Children). Currently she is only eligible for a Family Daycare for up to 6 Children until the back door is changed out.

STAFF FINDINGS & DISCUSSION

Review of the site reveals adequate parking in comparison to what other home daycares have been approved with, but the outdoor front play area is not fenced and is smaller in comparison to other approvals. State Health and Welfare licensing regulates matters relating to the health and safety of day care children.

Since the applicant did not meet Nampa Fire Department exiting requirements for a Licensed Group Daycare (up to 12 Children) staff recommends that if CUP approval is granted that the permit not be effective until the Nampa Fire Department certifies that the back door is changed out as required by the fire department for a facility caring for up to 12 children.

Granting a CUP for daycare use in the neighborhood is reasonable under the basis of the following recommended findings:

1) The location, size, design and operating characteristics of the proposed home occupation daycare will be compatible with and will not adversely affect the livability or appropriate development of the surrounding neighborhood with consideration being given to the harmful effect upon desirable neighborhood character. The use will occur in an existing building in an area that will support the intended use.
2) The location, design, and site planning of the proposed home occupation day care will be as attractive as the nature of the use and its location and setting warrants since the outside appearance of the home will not be altered.

3) The proposed home occupation day care will enhance the successful operation of the surrounding area in its basic community function and provide an essential service to the community.

SUGGESTED CONDITIONS OF APPROVAL

Staff sees no reason why the CUP should not be approved as requested, if following the public hearing the Commission determines that the use could be appropriately located and requires the following conditions of approval:

1) That the operator obtains and maintains licensing with State Health & Welfare.
2) That the use as a home occupation daycare does not substantially change the character of the home and be clearly secondary to use of the home as a residence.
3) The outdoor play area and landscaping shall be maintained in a neat and orderly manner.
4) The existing outdoor front play area shall be fenced to retain children from wandering out of the area.
5) All requirements of the Nampa Building, Fire, and Engineering Departments regarding day care use shall be satisfied as per State Law prior to occupancy.
6) The Conditional Use Permit not be effective until the Nampa Fire Department certifies that the back door is changed out as required for a facility caring for up to 12 children.
7) The size of any advertising signs shall not exceed that allowed for home occupations of 2 sq. ft.
8) The conditional use permit be granted to Mary Luna and shall not be transferable to any other operator or location.
9) Any other conditions felt necessary to address any concerns raised at the public hearing.

**Notice:** The intent of home occupation provisions is to only allow for home occupations that are compatible with the neighborhoods in which they are located. Full scale commercial or professional operations, which would change the appearance or condition of a residence, be detrimental to neighborhood character, or ordinarily be conducted in a commercial or industrial district, should not be conducted at home. **Daycare home occupations in AG, RA, RS, RSM, RD and RML are limited to 6 or fewer children (including the caregiver's children 6 years and under)** unless a Conditional Use Permit is applied for and approved by the Planning Commission. Daycare home occupations in the U, RMH, and RP zones are allowed to have up to 12 children (including the caregiver's own 6 years and under) without a Conditional Use Permit being required.  
*All Day-Care/Preschool applications will require a fire inspection.*

Subject: Conditional Use Permit for a Home Occupation Day Care for up to 12 children in a RS6 (Single Family Residential - 6,000 sq. ft.) zoning district at 1023 E. Sheridan Ave. (A .10 acre or 4,300 sq. ft. parcel being the east 86' of Lot 1, Block 12, Kurtz Addition, and a portion of the SE 1/4, Section 27, T3N, R2W, BM) for Mary Luna (CUP 121-18).

Dear Ms. Luna:

Please be advised that the Nampa Planning and Zoning Commission at their October 23, 2018 meeting opened the public hearing on the above conditional use permit request and continued the hearing to their January 8, 2019 meeting.

Since your home does not currently meet the Nampa Fire Department exiting requirements for a Licensed Group Daycare (up to 12 Children) the Commission determined to continue the hearing for possible decision at that time. If the Nampa Fire Department certifies that the back door has been changed out as required for a facility caring for up to 12 children, a decision and possible approval of your CUP should be able to be had at that time.

Sincerely,

Norman L. Holm, Planning Director
City of Nampa
Public Hearing No. 2:
Conditional Use Permit for Home Occupation Day Care for up to 12 children in an RS-6 (Single Family Residential – 6000 sq ft) zoning district at 1023 E Sheridan Ave. (A .10 acre or 4300 sq ft parcel being the east 86 ft of Lot 1, Block 12 Kurtz Addition, and a portion of the SE ¼ Section 27 T3N R2W BM), for Mary Luna, dba Mary’s Day Care. (CUP-00121-20180).

Chairman McGrath proceeded to public hearing.

Mary Luna of 1023 E Sheridan, Nampa – the applicant:
- Ms Luna stated the daycare was mostly for her grandchildren and family members and she would like approval of the Conditional Use Permit in order to continue.
- In response to a question from Chairman McGrath, Ms Luna stated she had been babysitting for about 16 years.
- According to Ms Luna, she occasionally babysat for her daughter’s friends until they could arrange for another daycare, but primarily it was just daycare for her family members.
- Chairman McGrath inquired if Ms Luna had a daycare license and Ms Luna stated she had received her license through the State of Idaho, ICCP.
- Kehoe noted the Nampa Fire Department inspection had indicated the rear door at Ms Luna’s home was not adequate for a daycare caring for up to 12 children and inquired if that issue had been resolved.
- Ms Luna explained at the present time she cared for four children during the daytime and two in the evenings and one on the weekend.
- Ms Luna advised the Nampa Fire Department was allowing her to continue with her daycare without bringing the back door into conformance while there were only 6 children or less.

Planning Director Holm:
- Holm advised the applicant would not require a Conditional Use Permit to care for 6 children or less.
- Discussion followed regarding if the applicant did not bring the back door up to standard, and was only caring for 6 children, would C-U-P approval be required.
- If the applicant withdrew the C-U-P application, confirmed Holm, then no decision would need to be made.
- Ms Luna stated she had talked to her landlord and was advised the back door could be widened in the future when needed by Ms Luna.
- Discussion followed regarding whether to grant the C-U-P provisionally until approval of the rear door by the Nampa Fire Department, however, there would be difficulty in following up on whether there were only 6 children at the premises until that time.

Ms Luna:
- Ms Luna reported she had talked to the landlord about widening the door in January.
- Kehoe suggested the application could be on hold or tabled until February when it would come back to the Planning Commission for a decision.
- Holm suggested the Nampa Fire Department could then perform an inspection and advise if the premises met the required standards for a daycare.
- Discussion followed regarding the fact the applicant could request the application come back before the Commission in January if the required door widening was accomplished.

Kirkman motioned and Miller seconded to continue the Conditional Use Permit application for a daycare for up to 12 children at 1023 E Sheridan Ave for Mary Luna to the January 8, 2019 Planning and Zoning Commission meeting.
Motion carried.

Meeting adjourned at 7:44 p.m.

- According to Ms Luna, she wanted to proceed with the C-U-P for up to 12 children in case she had more children to care for in the future.
- Ms Luna requested the Conditional Use Permit public hearing be continued for a month or two to allow her time to arrange for widening of the egress door.
