New Business

The meeting was called to order at 4:00 by Chairman Wroten.

Beth Ineck gave a report of the discussion on the Auditorium District Meeting. She also provided the zoning uses around the Ford Idaho Center area. Commissioner Fulcher said that he wants us to be careful for future use of the area. We shouldn't have something that doesn't fit in the area cast in stone. Beth gave some examples of some of the things permitted. The uses are very detailed and the commissioners are to study this and come back next month with recommendations or changes that they see need to happen.

Andrew Luthor said that if there were different entertainment options, that would be nice.

Curtis talked about the letter from the Idaho Center to the Snake River Stampede asking to use funds to work on the parking lot repairs and the maintenance of the ramp leading up to gate 1 entrance. The board gave their approval to do this.
