**Minutes:** Motion was made, seconded and passed to approve the minutes of 3/20/18

**Revenue & Expense Reports:** John Lewis reported for Centennial that revenue was as expected for March with the course being very busy during good weather. Scott Nicholes reported the same for Ridgecrest, and noted several events coming up that will boost April revenue. Darrin Johnson reported usual expenses for March for both courses. Motion was made, seconded and passed to approve the revenue and expense reports.

**Operations Reports:** Bob Kincaid reported for Centennial that mowing frequency is increasing and preparations are being made for application of pre-emergent weed control and fertilizer, and they are trying to hire seasonal staff. Charlie Denham indicated that they are chasing a difficult irrigation wiring problem at Centennial and doing everything they can to find the problem and correct it. Also, some leveling and slight modification to #4 tee is still planned, and hopefully can be finished by the end of April. Darrin Johnson reported two personnel changes. Thad Sosa, lead maintenance person at Centennial has resigned, effective at the end of April. Also, because Charlie Denham has been maintenance supervisor for both courses, and 45 holes is a lot to oversee, a new maintenance supervisor will be hired for Centennial as soon as possible and Charlie will be responsible for Ridgecrest and the Wee Nine. Scott Jacobsen reported for Ridgecrest that they are also trying to bring on seasonal employees. Areas that have been hydroseeded and had turf replaced are coming along nicely. Irrigation water is coming in so ponds will soon be filled. Many compliments were received on the condition of the course at the recent 2-Man Best Ball. Motion was made, seconded and passed to approve the maintenance reports.
