

Break taken at 3:02 pm

Back in at 3:12 pm

Discussion on Personal Leave time for the difference of 40-hour members versus 56-hour members

Break out for side discussions at 3:18 pm

Back in at 3:30 pm

Back to discussion on the Personal Leave time for 56-hour members versus 40-hour members. A request to table this temporarily was agreed upon

Discussion on the Squad:

- Should an MOU be produced
- Should it be put directly in the contract
- When and how is it deployed, possible pilot program
- Should a captain be included in Squad crew

The city agreed to come back and to better articulate the manning of the Squad

NFD negotiators did research on the 2-man squad, what they found out was not what they are hearing is the reasoning behind the introduction of the 2-man squad

Mistrust between the City and NFD that was mention earlier in the day by the city. NFD addressed this and expressed the feeling that the offer and counter-offer that had been made by the city were not accurate, causing frustration
