GARAGE SALES

The following guide is to assist you in knowing the codes and ordinances governing garage sales and signage.

→ Nampa City Code

Nampa City Code 10-1-10 (9) allows one (1) garage sale per calendar quarter. This is a total of four (4) garage sales per household, per year.

Sales may not be conducted more than three (3) days at a time.

No permit or fees are required.

→ Placement of Signs

Nampa City Code prohibits posting signs on public utility poles, traffic signs or signals, city signs, public trees, light poles or within or on sidewalks, or in the public right-of-way.

Signs posted in violation of city code are subject to immediate removal. Responsible parties in violation of the code may be subject to enforcement action.

This includes signs for:

Garage Sales

Yard Sales

Auctions

Estate Sales

Moving Sales

Block Sales

Patio Sales

And Similar Type Sales

→ Enforcement Process

Failure to comply with the requirements for time limitation, type of sales, and/or sign placement may result in Code Enforcement action,

to include, an infraction citation up to a misdemeanor criminal citation, and up to \$1000.00 fine.

→ Why is Code Enforcement Important?

Code Enforcement is for the common good of all City of Nampa residents. The city codes have been enacted to ensure attractive neighborhoods and businesses, to protect property values, to ensure the health and safety of the community, and to provide a high quality of life.
