		A scale drawing of the site showing where within the dwelling the home occupation will take place.
		Signed & Notarized Affidavit of Legal Interest. Form must be completed by the legal owner.
		A detailed statement describing the nature of the proposed Home Occupation, including type of business, equipment used, operating hours (hours per day, and days per week), and average daily number of people that will be coming to your home for your home occupation.
		Associated fees
		Master Application form

Is this application a Code Enforcement action? Yes No

Please Answer the Following Questions:

Yes	No	
		Is the home occupation clearly incidental and secondary to the use of the property for dwelling purposes? (Applicant must be able to provide proof of residence for the above address)
		Will the home occupation be conducted entirely within the dwelling, garage, or within an accessory structure beside or behind the dwelling? (The Home occupation shall not exceed twenty-five percent (25%) of the gross floor area of the dwelling unit involved. See NCC Section 10-1-10.B.6 for exceptions.)
		Do you propose to have an employee? (No outside paid employees are permitted, except in short-term instances when the resident operator must temporarily be away from home.)
		Will you have a sign? (Only a non-illuminated nameplate less than two (2) square feet in area is permitted)
		Will the home occupation cause abnormal automotive or pedestrian traffic? (Vehicular or pedestrian traffic shall not be generated in volumes beyond that normal to the use in the zoning district in which the home occupation is located. If additional parking is needed it shall be met off-street and not in the landscaped front yard).
		Will the home occupation cause any unsightliness or emission of odor, dust, smoke, noise, glare, heat, vibration or similar disturbances to the outside of the dwelling or accessory building used for the home occupation? (No equipment or process shall be used which creates noise, vibration, glare, fumes, and/or odors in excess of those created by normal residential use. Home occupations involving storage of flammable or combustible materials shall conform to the adopted International Fire Code.)
		Will the activity of the home occupation change the residential character of the dwelling? (The building must retain the appearance of residential use in terms of operating characteristics and cannot destroy the residential character of the neighborhood).

NOTICE: See NCC Section 10-1-10 for all applicable regulations pertaining to Home Occupations.

It is the intent of the home occupation ordinance that full scale commercial or professional type operations that would change the appearance or condition of a residence and/or be detrimental to neighborhood character, and would ordinarily be conducted in a commercial or industrial district, continue to be conducted in such district and not at, or from, residential property/dwelling unit. ***The following home occupations cannot be established without having first obtained approval for the issuance of a Conditional Use Permit from the Planning Commission: Gun related sales and services; repair garages including truck, auto, motorcycle, boat, etc.; major appliance repair; paint shops; welding; woodworking and cabinet shops; daycare home occupations in certain zones with seven (7) or more children (including the caregiver's if they are under 6 years of age); and any other use determined by the Planning Director to be similar to the aforementioned activities.***

****Acceptance by the City of this registration does not abrogate an applicant's need to comply with all other civil, local, state or federal agency laws, covenants or standards that may pertain to operation of a home based business.**

Please note the following additional regulations:

- **Storage and Display.** There is no outdoor display of goods or outside storage of equipment or materials used in the home occupation that would indicate from the exterior that the building is being used in whole or in part for any purpose other than residential use.
- **Commercial Vehicles.** Not more than one (1) commercial vehicle not to exceed fifteen thousand (15,000) GVWR, may/shall be kept by the operator of the home occupation on their residentially zoned property.
- **Yard Sales.** Infrequent yard sales (includes garage sales, moving sales, block sales, patio sales, flea markets, etc.) of short duration may occur in residential areas without compliance with standard number 3, provided the sales are conducted not more than three days at a time and no more frequently than once per calendar quarter. The seller shall not be in the business of selling the same or similar property as that which is offered for sale at the yard sale. All other home occupation standards shall be complied with.

Certification: I am aware of the standards and conditions under which my home occupation is allowed and that if any of the standards are violated I am guilty of a misdemeanor. I am aware that this statement of compliance is for the stated occupation and business and that if I change addresses, change occupations, or discontinue the occupations that this statement becomes invalid and another statement would need to be filed.
