8	The fire department is really far behind the development of the city. We have money for dog parks, paver cross walks and many non essential pet projects, but we can't come even close to national standards for fire and police protection. This is a failure of the city leadership. They not only decide to forego past taxes, but decide to never collect them again. Dog parks are important, but quality streets, fire and police protection are de emphasized. We vote you in to run the city efficiently and safely. Not pander to whatever group is willing to vote for your reelection. Sometimes the word "No" should be heard. Once we have the basics provided for, we can have the extras.	2/20/2021 12:47 PM

5	Need a nice senior community on southside of town.	3/1/2021 10:24 AM
6	Fix the many rough streets	3/1/2021 10:12 AM
7	The only thing I saw the city do that was poor planning was not to extend the sewer system when they had Greenhurst tore up last time. Surely something could have been done when it was accesable for the E. 400 Block of GH St. I dread the day when we are required to do our own hookups (mine is already paid for) when it could have been done the right way. Someone person was responsible for this costly error.	3/1/2021 10:06 AM
8	Enforce Traffic laws. Why are we supplying items in Spanish? Isn't learning English part of the requirements of becoming a citizen?	3/1/2021 10:01 AM

11	A light rail communter Train - Calwell to Boise	3/1/2021 9:36 AM
12	NOT putting a roundabout on Franklin Road that is absolutely ridiculous if you think it will help traffic, it is only going to make it worse. I live in the Neighborhood on Franklin on the proposed roundabout area and people in my Neighborhood are already discussing how horrible of an Idea that is and an ABSOLUTE WASTE OF TAX PAYER money.	2/28/2021 8:47 PM
13	Widen roads traffic in Nampa is getting out of hand	2/28/2021 8:46 PM
14	Traffic unbearable on 12th Ave, Freeway to entrances are dangerous with no footage to merge, taking too long.	2/28/2021 12:40 PM
15	Continue to anticipate, or forecast and plan for spikes in population increases. Surrounding counties are reporting affordable housing shortages. Affordable housing opportunities for those looking to be NampaProud will show the area can be not only a healthcare and commerce powerhouse, but a city with working people in mind. Continue to expand high-traffic roadways to accommodate for the FUTURE population increases in Nampa and the surrounding areas.	2/28/2021 12:18 PM
16	traffic control. .anything to make traffic ease of movement more round abouts, and right turn lanes. like the dedicated right turn lane like the one westbound on Boulevard onto Karcher. Like the yellow arrows to left turn after the red light	2/28/2021 10:57 AM
17	Please clean up the main streets, including I84 interchanges. They ALWAYS look like garbage dumps. It's embarrassing.	2/28/2021 9:58 AM
18	Stop building, our infrastructure can't handle it	2/28/2021 9:47 AM
19	eliminate an and all Covid related measues. Reopen the town fully. Remove all assitance to Illegal Aliens other than returning them to whence they came. remove all pedestrian street crossing lights. Concentrate on protection of the citizens and improvement of business retention.	2/28/2021 7:09 AM
20	Promote growth and opportunity by creating incentives for industry and non-retail business. Also investing in a public transportation system would help unite the community and provide opportunities for citizens who don't have adequate freedom of movement	2/27/2021 6:19 PM
21	Stop building homes—Nampa has farming land and it is all disappearing — if I wanted to live in a big city I would love in Boise. I am wanting to see all the subdivisions stop being built- subsidize farm land (and I am not a farmer nor related to one) it is disgusting to watch Nampa disappear.	2/27/2021 5:18 PM

26	Less racism and more inclusivity. Diversity is beautiful.	2/27/2021 11:27 AM
27	Housing prices are too high for natives to continue to afford. Those of us who have lived here all our lives are having a difficult time sustaining housing, it shouldn't be so hard to purchase an affordable house or to pay an affordable rent. All other living costs in nampa are relatively equal to a large majority of our incomes. If the housing market gets fixed and made to fit the majority of our incomes I believe our tow. Will thrive more and we will have less displaced families.	2/27/2021 9:24 AM
28	Keep up the good work!	2/27/2021 9:20 AM
29	Effective Public Transportation	2/27/2021 9:17 AM
30	Forget economic development. Look around. Do you like the result of decades of planning and zoning efforts? Major streets don't flow smoothly and frequently culdesac. Housing is broken down and in disrepair (because in my opinion, residents trying to improve their properties are treated as a source of revenue and over-regulated to further milk them). Nampa is developed as a boom town during the periodic Idaho booms (lots of farm land turned into monolithic subdivisions -- with construction having questionable quality -- helping Nampa maintain its role as bedroom community for Boise.	2/27/2021 8:47 AM
31	Enforcement of city codes in neighborhoods and installing speed bumps on Dooley and Meadowbrook Dr. It a short cut used by speeding vehicles	2/27/2021 8:14 AM
32	Affordable housing is at a crisis level all over our country but it is hitting this valley an our city incredibly hard. I would like to see the city more open and active in partnering with developers to build more affordable units. Families are not leaving our community but are staying and trying to navigate and incredibly limited supply of housing. The city has a responsibility to all it's citizens and this is a struggle for many.	2/27/2021 7:42 AM
33	Insure sidewalks are added on all main roads on both sides of main roads (Greenhurst, Midland etc) looks closely at the police officer hiring and training programs it appears to be ineffective (compare to BPD, ISP, etc) consider adding a larger out door pool with lap swimming to provide more summer activities for kids and families.	2/27/2021 7:21 AM
34	Expand green space and parks	2/27/2021 6:50 AM

38	Fix the terrible roads	2/26/2021 6:30 PM
39	Stop use of illegal fireworks. My daughter cries and yells at me to make it stop! I am a single parent of a developmentally disabled 32 yr old daughter. The noise goes on all night and from houses all around us. I've called the police department before the Fourth of July and during. I was told there is nothing the police can do. But it's illegal!!	2/26/2021 5:43 PM
40	Have more meeting gathering places like Caldwell downtown or Boise	2/26/2021 5:30 PM
41	better access to interstate from south Nampa	2/26/2021 4:57 PM
42	Take a closer look at more curtailed development- every square foot of available land doesn't need buildings. Don't want Nampa to become Meridian.	2/26/2021 4:30 PM
43	Give more attention to traffic control. The access in and out of subdivisions is becoming more critical with the development of new subdivisions- both small and large. Midland intersections should have been improved before more subdivisions were developed - from Greenhurst to Lake Lowell.	2/26/2021 4:24 PM
44	Streets, Parks, Population is growing faster then either can handle. Stop adding lanes as property is developed and having streets go from 2 to 3 lanes back to 2 for 3 blocks then back	2/26/2021 4:03 PM

to 4 lanes. Further increase development impact fees...they will pay it and we need it!

45	Keeping the city clean and free of debris, not dropping the standard of how our city should look aesthetically is very important. It creates an expectation of residents that they, too, have a duty to maintain our city clean. Repairing faulty infrastructure and potholes, and very importantly: maintaining the safety of our youth a priority. We have seen suspicious vehicles driven by adults stop to chat with the teens at the park next to Roosevelt Elementary and it's clearly not the parents of the teens. A little more police presence at the places where teens are known to hang out unsupervised would be helpful to deter any drug activity. Also, the homelessness is becoming more visible in Nampa and something needs to be done now before it grows out of control. And finally, communicating volunteer opportunities to residents about how they can help with all these issues. Encouraging residents to invest in their city and safety of their community can go a long way.	2/26/2021 11:44 AM
46	Keep it safe and comfortable.	2/26/2021 10:42 AM
47	Potholes being filled in neighborhood and less crime	2/26/2021 9:00 AM
48	Continued police funding. More walking/biking trails. Good paying jobs within Nampa. More culture and arts. Historic preservation.	2/26/2021 8:46 AM
49	Slow the urban sprawl, cut down on number of subdivisions (build up - ex: multi floor apartments, lofts, etc). Lets not loose all of our open land to development cause the money is good. Lets up our recycling program, recycle more. Lets be better stewards of our resources. Maybe have new subdivisions make their landscaping native and water friendly so we don't end up like California rationing water. Thank you for the chance to give some input.	2/26/2021 8:27 AM
50	More public transportation	2/26/2021 8:14 AM
51	Fix the roads. Complete road construction projects quicker. Stop raising taxes and then spending them on CWI and dog parks.	2/26/2021 7:32 AM
52	stop approving every subdivision, make the contractors pay higher impact fees and stop pushing idahoans out of the state they love!!!! We do not need 1,000 of new subdivisions every year, we do not want to be seattle, portland or calif!! listen to the people & stop making it impossible to live in the town we called home for so long!!! Also make new businesses pay more like Amazon should of had to help with the impact of traffic instead you allowed for more congestion in a already over flowed traffic area!! think for the future of growth & plan roads that way instead of building what is stupid & ridiculous for what traffic was yrs ago	2/25/2021 5:40 PM

62	Housing prices are insanely high and going up. Code enforcement of property could be better. More bike paths. Improve street snow removal. Help the homeless. Amazon appears to be a good addition. Public transit that can get me to Boise in much less than the two hours it would take now. Work for the people and not the real estate developers.	2/24/2021 11:25 AM

76	More Spring/Summer/Fall Events	2/22/2021 1:48 PM
77	Give the city a facelift. Came here 2 years ago to retire, love the area, but Nampa looks a little rundown, compared to Meridian, and eagle. Lots of eye sores through out the city. Run down abandoned shopping malls, department stores. Needs more bike trails, walking paths. Just need to update the city , it looks old and run down. Its just my observation, coming here new to the area.	2/22/2021 6:27 AM
78	Add more sidewalks in existing neighborhoods, especially near the older schools, so our children don't have to walk in the street to get to school. The stop lights in this town seem to give priority to the turn lane than to the regular flow of traffic, mainly early in the morning and late at night when the turn lane has a flashing yellow arrow!	2/21/2021 8:36 PM
79	Walkway access around the entire city so we don't have to drive if we don't want to. People need to get out an walk or ride bikes, but we really are limited here. Friends won't move here because of that.	2/21/2021 5:57 PM
80	Do more with landscaping of new construction projects around town and to keep projects from looking utilitarian/ugly.	2/21/2021 12:54 PM
81	Increased investment in public safety, downtown & neighborhood gathering places.	2/21/2021 10:15 AM
82	Stop closing access to main street arteries at the same time. So many street closures so close together make it very difficult to get to work. Provide snow removal services and salting of roads after bad weather. Make retail stores responsible for clearing parking lots and sidewalks. Have trash removal more than one day a week. Provide for bulk pick up upon request. Need more retail and restaurants to accommodate to number of people moving to the city. Clean up Caldwell Blvd it looks trashy and dirty. Too many used car lots, buildings need to be repainted or repaired. The old mall and K=Mart building need to be converted to some upscale shopping.	2/21/2021 8:01 AM
83	Keep creating areas for social interaction such as for concerts etc. Keep taxes under control and keep the city open for business.	2/20/2021 4:55 PM

85	The recent change in leadership has been inspiring. Far too often in the past the focus has been acquiring more votes, not makingthe best decisions. Please continue to make decisions as if you are o. Your last term and have no concern for reelection. If you are unwilling to lose your job to make the right decision, you are not fit to lead. Our traditional values are what made us great. There is not, nor has there ever been a free ride. Supporting policies and decisions that pander to the current trend of "selfless sacrifice " will undermine personal responsibility and the basis of our financial stability.	2/20/2021 12:47 PM
86	Limit sprawl, improve public transit, build arts and entertainment, invest city resources in downtown	2/20/2021 10:22 AM
87	I am not suggesting increased budget/taxes to accomplish: I like to walk & ride a bike & Nampa has a long way to go to be friendly to either - lets keep improving.	2/20/2021 10:15 AM
88	Downtown SUCKS from the traffic patterns to the buildings and businesses. There is nothing in Nampa to draw anyone to Nampa. We need to stop being boise-light. Whoever "designed" the Marketplace area traffic plan should go back and learn to color inside the lines. Try planning for 20 year away, not 5 years ago. Quit creating housing tracks without the roads to handle the traffic. It should not take longer to get from South Nampa to the freeway than it does from the Karcher or Northside onramps to Boise.	2/20/2021 9:31 AM

90	Like it or not, we need to figure out traffic patterns and infrastructure for all the growth. I hate being over by Costco. The traffic over there is a nightmare. Getting through the lights at the bottom of the overpass on northside also takes a lot of time now. Those are the toughest traffic spots that impact me. I see the people running red lights on Midland with Lonestar.	2/20/2021 7:45 AM

97	Adequate police protection for what may lie ahead	2/19/2021 12:00 PM
98	Widen Franklin Blvd on the north side to 2 lanes in both direction and turn lanes, invite Walmart to build a neighborhood store on Franklin Blvd and Ustick, encourage ITD to widen the Marketplace Blvd overpass and to add a freeway exit at Star Road to alleviate congestion at Garrity Blvd or stop the build up on Garrity Blvd/Idaho Center Blvd, it's a mess.	2/19/2021 11:59 AM

121	Cities are a living thing, changing day in and day out. As we plan for our city we need to take into account of what matters to the community and areas they want to see improvements on. Although there is much concern about funding and who will fund a certain project. The areas were City of Nampa can improve on to make it a more liveable place include ; safe and secure community, focus and see where infill development could happen, a responsible built environment, better connectivity, local economy, improvements on streetscapes, creating a life (day and night) for all ages, better zoning and land use regulations.	2/18/2021 4:24 PM

here now. The traffic anywhere you go in Nampa now is absolutley horrible! If all of my family didn't live here I'd move out of here. It's NOT the same here anymore.

146	The City of Nampa needs to stop putting the cart before the horse and work on infostructure and consider the resources that will be lost as people continue to move here and stress the limited resources that are here in the city. Natural resources do not last forever and the waste of city residents have to go somewhere. Not to mention the limited services that many residents have to Police and Fire, because as I said before, you choose to continue to put the cart before the horse. Not mention the housing boom has price many middle income families right out of the market.	2/16/2021 5:43 PM
147	Make the streets drivable after they are finished getting worked on. The patchwork is horrible. Less subdivision and building permits until the road are fixed first.	2/16/2021 5:10 PM

152	Shrink the city government by closing these departments: code enforcement, building, zoning, economic development, environmental development.	2/16/2021 10:11 AM
153	Quit building so many subdivisions when our community is not ready for the growth.	2/16/2021 10:01 AM
154	Be more responsive to citizens and take ownership for failures instead of passing the buck on to others	2/16/2021 8:40 AM
155	Be careful with future development. Slow down and focus on making Nampa great. Quit telling the community that growth funds infrastructure, so we need to grow. Growing too quickly will create problems we haven't even thought of yet, which will take money away from infrastructure, which will cause even more problems. There must be a balance.	2/16/2021 7:35 AM
156	More Fire Stations/Paid Full Time Fire Fighters	2/16/2021 4:02 AM
157	Increased weekend hours at the Rec center PLEASE	2/15/2021 8:48 PM
158	#1: Zoning to reduce suburban sprawl and protect farmland. This is vital for Nampa's attractiveness and character. Allow no new development without impact fees for the roads etc. needed. Increase public transportation. Ensure that we have safe affordable housing and good parks. Everything listed in #17. Thank you, Mayor Kling and city council members, for being accessible and listening to ordinary citizens!	2/15/2021 6:20 PM

160	Limit excessive grown and property tax increases	2/15/2021 6:06 PM
161	I believe the city needs to invest in economic development and public transportation -- specifically, coordinating investments with nearby cities to connect Boise, Caldwell, and Nampa via commuter rail network. I support the Canal Pathways Initiative to create bike (and walking) paths along the canal ways to improve neighborhood recreation and bicycle transportation opportunities.	2/15/2021 2:47 PM

169	do a better job planning growth and setting aside space for future parks	2/14/2021 12:44 PM
170	Less on property tax, make new housing developments and sales from farm ground to housing developments pay 100% for all new infrastructure, quit spending money on new designs for schools- use the same layout and design already bought and paid for, fix the roads- and quit getting input from out of town/out of state designers to design road patterns- none of the resent road reconfigurations have been worth a shit. Promote utilizing older structures in town vs. new construction, revitalize downtown like Caldwell, get rid of 'City of Nampa employee' parking lots and quit issuing parking tickets for citizens to shop in old downtown! Nampa is not large enough to issue parking tickets especially on a Saturday when no city employees are working.	2/14/2021 11:34 AM

173	Focus on making the city safe and family friendly. Also, seek more input from the public, especially on matters like the location of the new Amazon facility. 186	sped less mony	2/9/2021 5:31 PM
187	Connected walking/biking paths. Rec Center on North side of Nampa (Karcher Mall area perhaps). Seems like District 208 might be a joke. Also, Nampa seems to have PLENTY of storage units.	2/9/2021 3:44 PM

195	Drastically increase code enforcement. Junk cars and trucks,rvs trash and debri around many homes. Repair streets better signage and markings on roaDways	2/8/2021 9:02 PM
196	Revitalize the Ford Center with proper restaurants and shops to support an entertainment hub. Same applies to the Nampa Gateway Center as those of us who live in this part of Nampa have to go west to Midland/Karcher for dining option which are way too congested for rush hours. Please add more lanes to the karcher/midland overpass as it takes extensive time to go over the 84. Also, with the addition of the Amazon fulfillment center we need to relieve traffic that is going to become a serious problem so please add a freeway on-ramp and exit at McDermot or Star to alleviate idaho center drive westbound. We need weekly recycling and a landscape trash can curbside. Slow down new development growth for housing unless you can match it with commerce and transportation fixes ahead of time. The section of town on Garrity towards old town is so run down and full of crap businesses that it makes the city look a dump. We built a home on Can-Ada and Cherryand we hate going south BC of the condition so we feel forced to dine and shop in Meridian/Ada-county or off of Karcher/Midland but the options are better in Meridian. I'd love to be part of any community panels or focus groups. Please feel free to contact me, Barbara Davis 805-760-3280	2/8/2021 8:51 PM

198	Keep doing what youre doing	2/8/2021 8:02 PM
199	Support the police	2/8/2021 7:49 PM
200	Have a police department that will respond to things to make it a better place to live. There are homeless people in the parks that make it dirty and feels unsafe to be at. The dog park has aggressive animals all the time and there is no enforcement options out there so makes it an unsafe place to go with your pets. The roads are terrible and bumpy, the traffic lights do not let traffic flow. It back up intersections especially at rush hours all the time. New roads are made wide enough for 2 lanes but for whatever reason it still goes down to one lane (Middleton between Roosevelt and lake Lowell) midland between Roosevelt and lake Lowell. It's a growing city and it seems like the streets and traffic light departments don't know how to make traffic smoothly run	2/8/2021 6:00 PM
201	Focus on better road instead of chip seal that had to be replaced so frequently, closing roads and inconveniencing drivers. They have to be repaired so much and deteriorate quickly. Also, focus on parks, trees, and outdoor recreation activities and improve these. Finally, I'm greatly concerned about the massive increase of housing and lack of infrastructure to support the too-fast population growth. This affects everything from schools being overcrowded to roads not being able to handle traffic flow to our emergency services being able to meet the needs of citizens.	2/8/2021 5:04 PM
202	I feel you have to drive a short distance to shop, or really to do anything I would like to see more things available around all of the houses so people can walk or ride their bike to go places with less driving involved.	2/8/2021 4:18 PM
203	Focus on the infrastructure of the roads with the growing population we need to focus on the travel	2/8/2021 12:44 PM
204	Increase police and EMS budgets to help deter significant crimes like shootings, murders, gangs and burglaries. Those are the things that make the news and give Nampa a reputation of being "ghetto" or a second-rate place to live.	2/8/2021 7:16 AM
205	Work with the justice system to create a program where offenders guilty of destruction to property get the opportunity to clean up areas of graffiti. Also have a reporting line available for graffiti. Have a team selected and trained to work in the specific areas toward resolving issues related to gangs and a team trained to responded to people in mental health crisis. The officers in Ada County are amazing at deescalating situations that involve interacting with people with mental illness!!	2/7/2021 10:56 PM

213	Control the goat heads, especially in city owned property and right of way. More sidewalks and make them wide enough for at least two people can walk together. More green belts and connect them. Finish the green belt behind sunset meadows subdivision. 20 years is too long to remain unfinished.	2/6/2021 7:10 AM
214	Widen streets, install signals, very limited use of traffic circles	2/5/2021 11:36 PM
215	More affordable rentals. The cost of housing is going to mean that our family must move within the next few years as it is nearly impossible to make a feasible living and pay for a home.	2/5/2021 10:19 PM
216	Attract more business especially downtown. like Caldwell has	2/5/2021 6:46 PM
217	Limit growth without infrastructure such as roads (including major arteries), schools, etc. Also, develop excellent mass transit.	2/5/2021 5:10 PM

224	Please make Nampa more attractive for small and large business alike. I'd love to move my business to Nampa- it's my home. However, it would be a massive financial mistake to move my practice from meridian to Nampa. The real estate options, rundown buildings around town, lackluster options downtown, construction jobs that put businesses at risk (think 2nd Ave construction and now the construction blocking business sidewalks on 1st), and lack of community support for small businesses all push me to keep my money and employees in Meridian. I want to be all-in for Nampa, but it wouldn't be a smart move to trust the Nampa economy, community support, and government (beyond a photo-op during a grand opening) to show up a for me.	2/2/2021 10:44 PM
225	For all the housing developments going in there should also be nicer stores and restaurants, make downtown more urban chic friendly. Keep up with the streets for all this development!	2/2/2021 3:19 PM

241	Expand & revamp the bike paths--finish paving paths out to the lakes, establish bike lanes on the main thoroughfares and encourage our small, local businesses to expand their hours of operation in downtown Nampa!	1/31/2021 7:24 PM
242	Must figure out ways to relieve traffic congestion on main streets, it's only going to get worse.	1/31/2021 4:39 PM
243	Widen Middleton Rd The city allowed many new subdivisions but never widen the main road. Middleton Road. Why ??	1/31/2021 10:59 AM

246	Quit building homes and apartments when this city can not provide an adequate infrastructure for existing let alone what is needed for new homes, etc.(new roads, traffic lights or stop signs, schools and teachers.	1/31/2021 2:58 AM
247	stop all the development this town streets are not built for all the people coming here, also all of this development has pushed the true Idahoans out of their homes not to mention inflation of cost to rent a place to live Idahoans wages don't compensate for the cost of living here now, Nampa is not the town I grew up in. Start charging higher impact fees to developers & make them pay for the streets, sewer, water, school improvements not the people who have lived here their whole life!!! Stop letting our farmland disappear, we need farming Nampa was a farming community! Quit destroying what Nampa was!! If developers or new residents want to come here and live or develop subdivisions on every corner of every street then they need to be paying for all the cost to upgrade the streets, traffic lights, Water and sewer and schools, they don't pay crap and are making billions!! Also Nampa needs to think in the future of what all this severus going to do to our streets the ant of traffic!! Garrity Exit is a joke and now you have allowed Amazon in to add to the horrible traffic situation there!! We need streets, freeways, and exits to accommodate the ant of traffic in our city also fix the damn pot holes- Cherry Lane from 11th ave n ext to Franklin is horrible & has been fir the last 6 years and nothing ever just rougher road and pot holesAs a kid I never thought Caldwell would be better then Nampa but guess what it is, they have gotten grants and worked on making their downtown thieve & look beautiful and it does, Nampa's downtown the streets are always disgusting (I use to walk every block of downtown everyday- leaves, trash and cig butt every where disgusting, we look ghetto, Nampa does not take any pride in decorating or keeping it cleaned!!! I use to love Nampa but not anymore, stop destroying it and make it great again	1/30/2021 11:08 PM
248	Quite catering to the Mexicans	1/30/2021 9:51 PM

250	MORE STREET LIGHTS BY ALL SCHOOLS...#1 PRIORITY!!!!	1/30/2021 2:31 PM
251	I'd like to see a better choice for trash services. Republic has been horibal with customer service & trash pick up.	1/30/2021 2:29 PM
252	Too much farmland is getting sold off - give increased financial incentives to farmers keeping farms. Increased funding to City and Canyon county schools for smaller class sizes, greater teacher salaries & special needs programs. Significant focus & effort into increased revitalization of downtown buildings, streets, new businesses & open city WIFI. Look to Caldwell if you need a model. Education to City Police of implicit & explicit racial bias, increased offering of mental health support & programs on how to resolve conflict with non-lethal means. Finally, we have such a significant financially destitute population who'se ondownparh to get by is to take on 2-3 jobs or take from others - find a way to provide financial and job opportunity assistance to help provide a way out...all of these will mean greater taxes from the greater income households and I would be happy to do my part. -Sincerely, Bryan Luksus.	1/30/2021 1:43 PM

337	Make downtown a community gathering place for the residents of Nampa. We send too many people to Boise, Meridian and even Caldwell to spend their money. The residents want a vibrant downtown.	1/17/2021 9:09 PM
338	more police	1/17/2021 6:50 PM
339	Keep it clean. Increase laws and code enforcement to protect animals	1/17/2021 4:38 PM

Service, leave things better than you found them, know your neighbors, shop local.

345	Get rid of graffiti, police presence in our neighborhoods especially at night. Roads! More, expand lanes, easier freeway access. Traffic is a nightmare!	1/17/2021 1:16 PM
346	I love Nampa	1/17/2021 12:26 PM
347	Slow the growth, stop allowing so many subdivisions to be built everywhere.	1/17/2021 11:53 AM
348	Connect the whole city with walking & biking paths. Also, you should've had a mask mandate. We were really unable to enjoy many local businesses because you did not, so if any of them fail it's on you, because many people I know would rather drive to Meridian/Boise where this required than spend money here in their town so they could be safer. You put businesses who want to do this in a difficult spot when it's not mandated.	1/17/2021 11:01 AM
349	Mirror what Caldwell has done to improve their city	1/17/2021 10:59 AM
350	Increase safety and decrease crime	1/17/2021 10:04 AM
351	Make sure to have NO mask mandates. It should be up to the citizen if they want to wear a mask.	1/17/2021 9:51 AM
352	Please make new business along the freeway comply to environmental regulations. Can we get the sugar factory to upgrade something to prevent the horrible smell?	1/17/2021 9:50 AM
353	Improve access to highway. Stop building homes so fast. Remove taxes for families that done have kids that go to school. . That should not be our responsibility	1/17/2021 9:32 AM
354	Improve and encourage public transportatio	1/17/2021 9:23 AM
355	More sidewalks, bike lanes, wider streets and connected walking paths.	1/17/2021 9:21 AM
356	Low taxes, so I can afford to eat and live.	1/17/2021 8:49 AM
357	Lake Lowell and Midland needs a light	1/17/2021 8:33 AM
358	Better sidewalk system throughout the city so pedestrians can safely walk. The greenbelt system needs to have continuity so that you can actually use it. It does t do any good to have 1/4 mile chunks of greenbelt that just stop and start randomly. Also, the downtown area has huge potential but it isn't being developed and thought out. Caldwell is putting Nampa to shame as they have created a place that people want to go to. The amount of businesses that are skipping Nampa and going to Caldwell is shocking.	1/17/2021 8:27 AM
359	Stop urban sprawl. Localized commercial hubs for small businesses & mixed use areas allow for alternative transportation options, reduce drive time and congestion, and promote community. Also, better more enriching park for kids and family - like Midway park.	1/17/2021 8:26 AM
360	Anticipation of traffic needs before they become unsafe. As the residential areas increase, intersections become more dangerous. Dealing with them years after completion of large subdivisions is too late.	1/17/2021 8:23 AM
361	The city needs to lower taxes. You charge too much and have NOTHING to show for it. Ada County has lower taxes and they have big beautiful parks everywhere. Where does our tax money go? I've lived in 2C for a decade, just recently moved to Nampa though. There is not one park by my house by Garrity. I live in a nice neighborhood and nowhere to bring my child to play or run around. I have to drive to Meridian for that?! That's insanity. Use my money for the people or lower taxes. Mayor clings inability to implement a mask mandate through a pandemic has been an epic fail as well. Nice way to look out for all of us healthcare workers busting our butts everyday because people travel to our area from Ada so they can avoid the mask mandate. So many fails Nampa.	1/17/2021 7:54 AM
362	Connecting greenbelt/bike path similar to Boise.	1/17/2021 7:53 AM
363	Make programs more affordable	1/17/2021 7:51 AM
364	Improve community programs that promote unity and empathy	1/17/2021 7:40 AM

366	More shopping on the East side of Nampa	1/17/2021 6:57 AM
367	Make new housing developments contribute more to upgrading nearby city streets-widening, sidewalks, traffic signals	1/17/2021 6:50 AM
368	More Parks on the North Side of Nampa	1/17/2021 6:42 AM

369	More gutters to decrease flooding	1/17/2021 6:24 AM
370	Encourage economic development/bringing in business. More sidewalks. Establish either roundabouts or traffic signals in congested places.	1/17/2021 6:15 AM
371	Place larger impact fees on the big developments	1/17/2021 5:35 AM
372	Make business doing construction and closing down streets be more considerate. Often they will block off streets for days when no work is being done. I have to change my way to work everyday. It make my drive to work stressful everyday. They should have to submit a plan of road closures and how they will keep it short and traffic flowing well. Make the green belt longer! Bring in professional about a super quick growing city and have foresight about traffic and transportation. Traffic flow on Karcher by all the stores is horrible.	1/17/2021 5:23 AM
373	Slow down on building.	1/17/2021 4:41 AM
374	Put sidewalks along amity, victory, and kings, expand kings road, add sidewalks, and a light at kings/victory!	1/17/2021 3:57 AM
375	We are loving the progress downtown, Way to go! I hope downtown continues to thrive even as businesses head towards the market Place area	1/17/2021 2:44 AM
376	Lower taxes and utilities. If increases are needed they should be given to builders and out-of-staters moving in. Many natives like myself barely survive on the income made compared to the cost of living.	1/17/2021 1:10 AM
377	I miss having access to the library. Pick up times are only during my work hours. Improvements to Sugar St, road and sidewalks, including intersection with Garrity. Fix the bottle neck at Victory and Kings, stoplight?	1/17/2021 12:07 AM
378	More access to affordable housing, or a easier pathway to homeownership	1/17/2021 12:04 AM

380	Better public transportation	1/16/2021 11:51 PM
381	Stop IGNORING North side.....roads are terrible. Fix the traffic lights	1/16/2021 11:32 PM
382	Get kids back in in-person school, review the NSD, have more affordable activities at the rec center	1/16/2021 11:28 PM
383	Better pedestrian traffic ability	1/16/2021 11:22 PM
384	Widen roads	1/16/2021 11:20 PM
385	Stop growing and take care of the areas you have right now.	1/16/2021 11:00 PM
386	Make it more walkable. Charge impact fees like crazy for all of the new developments going in. Prioritize good K-12 education.	1/16/2021 10:53 PM
387	Less subdivisions going in	1/16/2021 10:52 PM
388	A more robust downtown area with family friendly activities and businesses.	1/16/2021 10:49 PM
389	Keep improving the downtown area. And add more police and fire service.	1/16/2021 10:44 PM
390	Expand downtown, Caldwell had out performed the city of Nampa	1/16/2021 10:38 PM
391	Keep taxes low, maintain services at current level. New homes should be responsible for new service costs	1/16/2021 10:28 PM
392	Rezone the land that the golf courses sit on so IDHW can develop it and bring in significant tax revenues to the city of nampa	1/16/2021 10:27 PM
393	Find a way to prevent \$500/ month property tax increases! Can't hardly afford to live in our own home now	1/16/2021 10:15 PM
394	Pay city employees comparable wages so they don't have to work 2 jobs to support families and better benefits.	1/16/2021 10:12 PM
395	I think the city needs to really focus on determining how they improve streets and intersections. The recent work is beyond ridiculous how slow it is and likewise the amount of detours I must take to get anywhere. I also think the city of Nampa is dying. I am a well off millennial who is married with a kid on the way, I am not proud to say I am from Nampa and likewise the idea of raising our child in Nampa worries me. The education in Nampa is a joke and really needs to be improved.	1/16/2021 10:10 PM

396	Expand with the growth, and continue to keep it safe for residents to live here	1/16/2021 10:00 PM
397	The rate of houses popping up in former-agricultural land is completely heartbreaking. I understand growth is good, but it's killing the essence of nampa.	1/16/2021 9:47 PM
398	Sidewalks	1/16/2021 9:43 PM
399	Affordable housing and slow growth of new homes till infrastructure can catch up	1/16/2021 9:38 PM
400	Less traffic	1/16/2021 9:38 PM
401	we're getting left in the dust in regards to what Caldwell has done with the Indian Creek area! That attracts so many people to downtown Caldwell throughout the year, while Nampa has done nothing whatsoever in regards to attracting people to come here for fun activities etc. our so-called Greenbelt and Nampa is a joke, I go to Boise to enjoy the Greenbelt, and while I realize we can't have something that significant here, we could do something much better than what we have! I just feel like Nampa is getting left behind between Caldwell and Meridian, and wonder why we're not doing something more to come up with some kind of thing along the lines of Indian Creek etc.	1/16/2021 9:31 PM
402	traffic flow on Idaho Center/Garrity Blvd	1/16/2021 9:30 PM
403	Keep up with growth. Traffic is a huge problem only getting worse every day	1/16/2021 9:26 PM
404	More trails and bike paths.	1/16/2021 9:24 PM
405	Provide more activities for families. Make Napa nice, like Caldwell, Meridian and Boise.	1/16/2021 9:23 PM
406	I would love to see more bike paths. I would love to see more business pop up on the Garrity side of Nampa and off Happy Valley, businesses like Home Depot, Lowe's, sit down restaurants. I hate how businesses are being shoved together by Karcher and Costco area. I end up going to Meridian instead of places on the Costco side of Nampa. That is money lost to Nampa. Actual bathroom facilities at parks. Moving from Boise this is what I miss about going to parks. Hate using the porta potties, especially with my children. I do like what you are doing to revamp downtown. I hope to see more. Thanks for taking time to read my responses.	1/16/2021 9:08 PM
407	The traffic near marketplace is absolutely horrible!!! I've worked over there for 12 years and my commute is so stressful. Timing the lights better would be amazing!	1/16/2021 9:06 PM
408	Fix Midland rd- really bumpy drive. Change traffic signal timing @ Midland & Blvd.	1/16/2021 9:06 PM
409	More community activities downtown. Revitalize downtown. Do something to attract more visitors	1/16/2021 9:05 PM
410	Repair roads, add fire station in SW Nampa	1/16/2021 8:52 PM
411	More sidewalks and crosswalks with light signals. Our family has been very involved with youth baseball for the last 10 years. We are constantly disappointed in the lack of park maintenance and unprofessional communication with the Parks Dept. management. The new fields at Midway are overgrown with weeds, have watering/irrigation issues, and are always covered in litter. At West Park this summer, the restrooms flooded and sewage was everywhere. Stampede has no access/sidewalks for spectators with disabilities.	1/16/2021 8:49 PM
412	Safety	1/16/2021 8:45 PM
413	N/A	1/16/2021 8:44 PM
414	Roads and city planning are a huge priority. The influx of new people is impacting the quality of life - congestion, accidents, less farmland, higher cost of living, taxes etc. It would also be nice to see the city prioritize small businesses and stop giving tax breaks to big corporations.	1/16/2021 8:43 PM
415	Stop the growth	1/16/2021 8:42 PM
416	Running path around Lake Lowell, keep up linking paths throughout the city, handling of pandemic needed to be better-didn't like that we were less restricted and neighboring cities congregated here, add residential roundabouts at uncontrolled intersections such as 9th St and 13th Ave, include that area of Nampa as historic	1/16/2021 8:41 PM
417	Concentrate on existing residents welfare	1/16/2021 8:40 PM
418	Attract businesses to the center off Garrity. Revamp area so it's a destination similar to the village. Also making it so difficult for the Reptile Zoo to open was a huge loss to our city. Now that property will remain vacant again and the revenue lost is a shame not to mention the positive impact it would have had on our city	1/16/2021 8:39 PM

2021 City of Nampa "Your Voice Matters" Community Survey

419	Add better parks (similar to what meridian offer); increase taxes on home builders (CBH, Hubble, Coleman); consider more roundabouts to alleviate traffic congestion	1/16/2021 8:36 PM
420	Improve streets!! Fix what we have before you approve big projects. And don't put big money into intersections that will just be ripped up in the near future. Plan that better please.	1/16/2021 8:34 PM
421	Widen the roads. Charge developers more to build. Fix Lake Lowell/Midland ASAP	1/16/2021 8:33 PM
422	Fix the roads	1/16/2021 8:31 PM
423	A better housing/commerce balance, turn the mall into a Village at Meridian, limit housing in areas where streets can't be expanded (1/16/2021 8:27 PM
424	Community engagement festivities	1/16/2021 8:25 PM
425	Thank you for remaining family friendly. Please do not let us become so overgrown like Meridian!! I love what I have here! Former Meridian resident.	1/16/2021 8:22 PM
426	Response to citizens when there are issues	1/16/2021 8:16 PM
427	Stop building apartments	1/15/2021 6:00 PM
428	Make builders incur the costs of building roads and future schools	1/15/2021 5:59 PM
429	Clean up the city, enforce city codes and improve outdoor recreation and bring more business to Nampa.	1/15/2021 5:31 PM
430	Develop infrastructure before you build all these subdivisions! We need traffic lights, not stop signs. We need commercial businesses, such as gas stations, "good restaurants" at the south end of town. We need to "clean up" 12th, as it is so congested and you take your life in your hands when you try to turn left from the "middle lane"!	1/15/2021 3:09 PM
431	More cultural and historic activities	1/15/2021 2:54 PM
432	clean up the weeds that grow everywhere and better enforcement of weed control especially in South Nampa over by college area and down 12th Avenue by old Pauls and 16th Avenue by old Pauls. Perhaps promote community activities like Caldwell and come up with an annual fun event like perhaps a "beet harvest" festival (beet carving contest, elect cheer beet cheer master, etc) to attract new residents and generate income. Nampa's overall appearance looks dirty and dingy in some places (blvd, 12th ave rd, 16th ave) need to clean up old places kmart bldg, old pauls stores etc.	1/14/2021 7:29 PM
433	More God and Country Rallies!	1/14/2021 7:21 PM
434	install more roundabouts instead of traffic lights, especially at the intersection of Midland and Lake Lowell and the remaining intersections along Midland as they are improved. Same with Middleton Rd. Walking or riding bikes are too dangerous with stop signs and traffic lights.	1/12/2021 7:27 PM
435	!-continue your excellent and appreciated job of decreasing taxes and supporting liberty such as health choices (no forced masks or vaccinations), 2-get rid of that horrific mess made for the unnecessary & extravagant library expansion forcing one way of confusion and resultant decrease to visits to downtown businesses. Also, time lights on Lake Lowell from 12 Ave through Kings road to not force stopping. Support the flow of traffic to save time and money, PLEASE!!! Thank you Mayor Kling for your outstanding work as Mayor!!!	1/12/2021 5:25 PM
436	Prioritizing infrastructure would be helpful. Also, I would appreciate our officials standing firm in their core beliefs of integrity & selflessness and not submitting to hear-say or evidence-lacking claims about supposed "safe practices" for Covid. In short, the government is here to serve the people, and it does that best without inflated self-awareness and self-aggrandizement	1/12/2021 4:12 PM
437	Affordable housing	1/11/2021 10:42 PM
438	Invest in the kids more.	1/11/2021 5:09 PM
439	Somhow work on all of our traffic issues?	1/11/2021 4:07 PM
440	Traffic needs to be a priority. Too many new homes with minimal improvements to infrastructure.	1/11/2021 4:02 PM
441	slow down the growth	1/11/2021 2:11 PM
442	Improve the level of customer service over the phone, every time I've spoken with someone they have complete cunts and super unhelpful. Plus please make bank payments/autopay setup available online for god's sake it's fucking 2021!!!!	1/11/2021 11:37 AM

443	Affordable housing is becoming an issue. I am uncertain how the City could assist with this issue.	1/11/2021 10:45 AM
444	Make the city center more like Boise or now Caldwell. Years ago they used to have such a good farmers market and now it is a place you hardly want to go to. Boise has make their downtown so nice and on Saturdays it is the place to be. Make downtown better, make farmers market better. Shut down the city center on weekends and make it a place you want to go have a cup of coffee and buy local. Make it unique. A place for family.	1/11/2021 4:21 AM
445	Work with a developer to create something similar to the Indian Creek Plaza in Caldwell	1/11/2021 1:32 AM
446	Look to the city of Caldwell for advice, guidance, and examples. What they've done to make their downtown desirable has been incredible. People now come from all over the valley to visit their city. Invest in downtown nampa. There is a strong community of locals who are able and willing to support. Get rid of the horse mural that is falling apart and have a local artist come in and creat a new piece of work that our city can be proud of (Local artist Seca has done some amazing work in our city). Make all downtown nampa sidewalks safe for bicycles and handicap accessible. Create more accessible and safe green belt paths and access points.	1/9/2021 4:51 PM
447	Actually care about the ENTIRE city and stop focusing on just where the leaders live	1/9/2021 3:36 PM
448	Focus on streets, lights - instead of 4 way.Dealing with the hugely increased traffic and traffic flow. Some projects are perfectly fine doing in the winter months- temperatures, precipitation is not extreme.	1/9/2021 11:51 AM
449	Develop areas Dinning and family engagement areas. Similar to the "The Village" in Meridian, but not as expensive.	1/9/2021 11:02 AM
450	More residential sidewalks	1/9/2021 9:56 AM
451	Safety and strong community values	1/9/2021 9:51 AM
452	Continue to work to keep up with expanding population by increasing the sides of roads and building more sidewalks. Also, please increase funding for schools.	1/9/2021 8:34 AM
453	City planning of the impact on traffic and services of new housing development within the city limits	1/9/2021 7:09 AM
454	Don't let one person dictate what happens with downtown Nampa because of the money the push for what they want. Fix the congested roads and stop allowing apartments and subdivisions to develop until they also pay for the congestion problems to be taken care of	1/8/2021 11:42 PM
455	More family activities	1/8/2021 11:19 PM
456	Focus on quality of development. Complete greenbelts, buy right of way and fill gaps in pathways.	1/8/2021 11:17 PM
457	It's the people who make me unhappy about Nampa. Trump's presidency has brought out ugliness, disdain for education and expert knowledge, and intolerance here.	1/8/2021 11:03 PM
458	Keep our current mayor and elect more council members like her!	1/8/2021 10:53 PM
459	Encourage large companies to invest in local programs if they are doing business in Nampa.	1/8/2021 10:04 PM
460	Preserve green space and neighborhoods, more small parks	1/8/2021 9:50 PM
461	Maintain the values in Nampa as a strong conservative Christian environment	1/8/2021 9:01 PM
462	Plan the repair of streets better. Idaho Center has been torn up 100 times. Plan ahead and stop shutting it down.	1/8/2021 8:03 PM
463	Please replace our terrible 4-way stops with traffic lights all round the city.	1/8/2021 7:52 PM
464	The mayor needs to actually give the street department the funds to repair and maintain our roads. Nampa wasn't designed for this many people, the infrastructure is crumbling.	1/8/2021 7:15 PM
465	Street sweep neighborhoods, especially in the fall.	1/8/2021 7:14 PM
466	Plant more trees	1/8/2021 7:06 PM

472	Keep Mayor Kling	1/8/2021 5:55 PM
473	When expanding the city, expand the resources for the departments involved. If you build new roads, or parks or other resources for the city, provide those departments with the tools they need to maintain those resources.	1/8/2021 5:52 PM
474	Keep maintaining individual freedoms	1/8/2021 4:56 PM
475	Charge developers larger fees for the burden their development places on city streets and services.	1/8/2021 4:27 PM

477	Quit making citizens pay for infrastructure upgrades!	1/8/2021 4:12 PM
478	More bicycle lanes & pathways	1/8/2021 2:59 PM
479	Fix the traffic layout. I think whoever designs the traffic pattern is fresh out of college, works in NYC and does not drive a car.	1/8/2021 2:30 PM
480	Not sure about that, but I have been wondering if the city could get with the restaurant owners and see if there was a way to do something like the Village in Meridian where we could get gift cards that would be good at almost any of the Nampa restaurants so the people we give them to could go to any place they wanted. I would love to have something like that to give to our clients instead of only being able to get a gift card for a certain restaurant and that is where the people would have to use them. I would also like to see about what we could do to make the airport more of a small cargo delivery airport that some of the smaller planes could use instead of going to the Boise airport.	1/8/2021 2:30 PM
481	More roundabouts. They help traffic flow so much	1/8/2021 2:19 PM

486	Lower property taxes and build more affordable housing	1/3/2021 11:18 AM
487	Would love to see more bike paths.	1/1/2021 7:51 PM
488	Protect your farming and small neighborhoods, factories and Police and Fire	1/1/2021 12:23 PM
489	Bikes, bikes, bikes. And actually care about protecting people from covid. Make an effort to increase diversity including participating in refugee resettlement. Nampa is not a welcoming City by any means. Unless you are white.	1/1/2021 12:18 PM
490	I'm on SSI and rely on a rental 4-plex for additional income. Unfortunately, with the Covid-19 moratorium, I have tenants that are still working as before, but have decided to forgo paying rent and there is not a thing I can do about it. Yet I am still expected to pay water, trash & sewer, Property tax & Irrigation fees. Is there any help for us business owners that have these freeloaders occupying their properties to prevent property owners from losing their property to the bank?	12/31/2020 6:51 PM
491	Focus efforts on developing downtown - supporting small businesses and developing (NOT including Mussel Construction, who did not comply with historical building codes). Additionally, increasing accessibility to community programs for low SES individuals. Improving biking and walking trails and increasing safety is also imperative.	12/31/2020 12:34 PM

between north side and Franklin. Per student spending needs to be significantly increased. Teachers deserve higher pay and better benefits. I would also like to see more days like "spring clean up" to be able to get rid of unwanted item and garbage.

495	More walking pathways.	12/30/2020 12:32 PM
496	Please fix karcher/blvd area. It's awful!	12/30/2020 8:30 AM
497	Do not shut down business, open up the city. Make sure Nampa is a gun rights sanctuary city.	12/30/2020 8:02 AM
498	Preserve our quality of life. Lift ALL Covid restrictions!!	12/30/2020 7:48 AM
499	Note of contention ... fix the horse mural in downtown Nampa. Continue to support police department. Have crews clean roadsides. Unfortunately people are slob and dump their trash. Freeway entrances/exits cleaned of trash. So many new people are moving into Nampa, traffic is going to continue to be an issue. Improve Lake Lowell. Trash cans. Empty those and dumpsters more frequently. It gets to be a mess in the summer out there. Also ... when the lake is taken over by nasty bacteria, post LARGE signs all over the place so people aren't swimming and allowing pets to drink that nasty water. Not everyone reads the newspaper or goes on the Internet for information!!! There's more I'm sure but I will stop here. Those are some pet peeves. Haha	12/30/2020 4:02 AM
500	Make it safer and more accessible for the disabled community, children, and the elderly	12/30/2020 3:16 AM
501	Improve traffic flow on main roads & make it easier to get in & out of central Nampa.	12/30/2020 12:12 AM
502	I would love to see. More bike paths. Nampa feels super unfriendly and dangerous to bikers so I would love more community education about the good of biking and safer bike lanes on the streets. It is very hard to push strollers and let kids ride bikes on the sidewalks in downtown Nampa. I would love smooth sidewalks as my kids and I use them every day. I would love a community garden space for people in the community to meet each other and learn about gardening. I would also love for the passenger trains to start back up. The trains are Nampa's gem in my opinion and I would love to ride them.	12/29/2020 8:14 PM
503	Nampa needs to make efforts to promote economic and community growth in the North side of town that give voice to the community that currently resides there. There also needs to be a recognition that "safety" is currently only relative to political preference. As a white male, it's easy to claim that "safety" is a police presence that looks like myself and upholds my values and priorities, but that is a limited view for our community. Leaders need to engage with diverse voices (racial, religious, and political diversity) in order to better be a safe and flourishing community.	12/29/2020 2:10 PM
504	allow backyard tiny homes or pods for family.	12/29/2020 11:34 AM
505	New Mayor	12/29/2020 10:27 AM
506	Revitalize downtown and include the north side of nampa businesses as well.	12/29/2020 9:01 AM
507	Focus on healthy lifestyle and community engagement; walking paths, making downtown more pedestrian friendly, adding music/movie venues for families, health food stores, community cooking/grocery shopping activities, etc.	12/29/2020 8:30 AM
508	Beautification and completion of the bike paths, making the city more walkable for families	12/29/2020 7:37 AM
509	Limit the amount of new multi-housing projects permitted and deal well with traffic flow, including eliminating 4-way stops in high-traffic areas.	12/29/2020 6:30 AM
510	Inclusion	12/29/2020 6:11 AM
511	Make Downtown like Caldwell	12/29/2020 4:09 AM
512	We need to stop raising our property tax every year !	12/29/2020 1:50 AM
513	Traffic: too many ruining red lights/stop signs, remodel old downtown Nampa, and connected walking paths	12/28/2020 10:45 PM
514	Invest in historic town square to generate tourism. Look at Georgetown Texas example.	12/28/2020 10:22 PM
515	Roads and sidewalks please!	12/28/2020 10:19 PM
516	Practice what you preach . Cant ask citizens to do something you aren't willing to do yourself .	12/28/2020 9:37 PM
517	Lower Taxes	12/28/2020 9:35 PM
518	Help small business in downtown and northside	12/28/2020 9:20 PM

2021 City of Nampa "Your Voice Matters" Community Survey

519	We need a reasonable public transportation system.	12/28/2020 9:10 PM
520	Investing in its historical properties and small businesses!	12/28/2020 8:37 PM
521	A stronger response to COVID would have allowed for more people to stay healthy and in business. More support for downtown businesses. I would love for Nampa to have as many successful businesses as Caldwell.	12/28/2020 8:36 PM
522	Need to bring life to downtown, make it family friendly. Create an environment like meridian village or Caldwell Indian creek. More food choices, traffic is TERRIBLE	12/28/2020 8:29 PM
523	Safer walking and biking, more downtown funding	12/28/2020 8:24 PM
524	Recycling and public transport through the valley also repair sidewalks	12/28/2020 8:03 PM
525	When granting building permits, require developers to pay the true cost and impact costs to the infrastructure like roads, access, traffic control, and pedestrian safety. These impact dollars should not be borne by taxpayers. Also, segregate multi/family dwellings, and apartment developments away from single family homes. Traffic and safety impacts are not being evaluated properly by Planning Department.	12/28/2020 7:55 PM
526	Stop wasting money on things like redoing the downtown traffic flow. On supporting policies and people who waste our money	12/28/2020 7:54 PM
527	Better roads maintenance, improved code enforcement for commercial and residential areas to help maintain value of property investments	12/28/2020 7:53 PM
528	Smoother roads	12/28/2020 7:28 PM
529	Better infrastructure, repair the roads, they are awful	12/28/2020 6:51 PM
530	Better walkability. There are no crosswalks on Fern to get to NNU. 16th is also difficult to cross if you're not near 3rd or 7th. Even then, I've nearly been hit by people not looking. Also, it's a shame that there are still so many vacant buildings downtown.	12/28/2020 6:51 PM
531	Completely eliminate factory pollution/smells (sugar, and others), more walking/biking trails, better parks options, significantly increased police funding to deal with recent rise in crime (property, violence, sexual) to clean it up, we should rank top notch for aggressive crime methods, add much more shopping and dining options, I constantly go to Meridian and Caldwell because there isn't enough at all. We are way beyond behind the curve here. Less industrial/factories and more shopping/restaurants. I spend significant sums in surrounding cities because of the lack of this. I would love to shop and eat local.	12/28/2020 6:45 PM
532	Take covid more seriously... I feel like nampa has disappointed	12/28/2020 6:03 PM
533	Open the stinking library! If grocery stores can be open, then the library can be open.	12/28/2020 5:40 PM
534	Improve traffic congestion, routing semis through town and stop light timing.	12/28/2020 5:17 PM
535	Better construction planning. Better roads.	12/28/2020 5:02 PM
536	Stop building 500 houses a month when you don't have the road capacity for the traffic. You need to put people first instead of putting tax money in your pockets.	12/28/2020 4:02 PM
537	The city needs to stop all new home construction until there is a better plan in place for road construction and repair. The current infrastructure simply can't handle any more new development. I think the library needs to stay open while school is closed. If Walmart can handle a few hundred people, our library can handle more than 35.	12/28/2020 3:33 PM
538	Increase police and fire protection, ease traffic congestion at the many 4-way stops, add more walking/biking paths	12/28/2020 3:25 PM
539	Fix all the many bad roads	12/28/2020 3:00 PM
540	Parks and Library services... north of the interstate	12/28/2020 2:45 PM
541	Improve downtown. Stop building houses until you fix the steets and infrastructure. Clean this city up. Get a handle on the crime rate. Make it a crime to abuse animals.	12/28/2020 2:06 PM
542	Making Nampa a family magnet should be your goal and I suppose keeping property taxes low is the best way to do that. If I knew my word limit I'd elaborate. Festivals and fun events are great. Promote home education by families and co-ops. Publish the schedules of street sweepers (^_^)	12/28/2020 2:03 PM
543	Have businesses utilize already built structures before going and building more that sit vacant.	12/28/2020 1:56 PM

	Improve/rebuild main roads. Most are rough and have been dug/tore up numerous times.	
544	Affordable housing. Better subdivision developments (lots too small/houses to close together)	12/28/2020 1:40 PM
545	Stop spending and decrease property tax, and listen when the majority asked for mask mandate	12/28/2020 1:03 PM
546	More cops. I don't feel safe exploring my city that I once used to explore.NPD is doing a great job with the very limited resources they have.	12/28/2020 12:56 PM
547	Better planning when doing road construction and get the police to focus on people not quotas and traffic tickets	12/28/2020 12:19 PM
548	Improve roads	12/28/2020 12:11 PM
549	get rid of the liberal mayor. stop shutting down their offices especially the water department so we can pay our bills. fire all the police for corruption. removal of welfare from destroying families with lies in courts	12/28/2020 12:01 PM
550	First , Listen to your citizens when there's a problem. Stop the wasteful spending. Get on top of the crime problem. There's a reason why your officer was involved in a shooting you need to get on top of this. I've left multiple gang organizations moving in to the city in the last in the last five years. I am the majority of your citizens that you would like to stay here are not going to remain in your city as long as you allow the shootings to keep happening. And fix the damn roads. Garrity is a cluster with everybody coming across traffic when I get off the freeway to get over to e. Flamingo to take over to Happyvalley. I'd type more but I got to get back to work	12/28/2020 11:58 AM
551	Improve transportation	12/28/2020 11:39 AM
552	Enforce and strengthen COVID rules. Not a livable city when the virus is more welcome than health conscious citizens	12/28/2020 11:29 AM
553	Increase walkability score	12/28/2020 11:22 AM
554	The mayors office has been inaccessible for the past year while every other department carries on. Gotta be part of the mayors "cool kids club" to get a free Xmas eve half day. No coat of living increase and had to fight for fair pay in the valley. Mayor didn't even show up for longevity awards, holiday parties or public works appreciation week. No one in our division feels appreciation from the mayor for working through all of COVID without shutting down and taking the classic HR working from home scam.	12/28/2020 11:21 AM
555	Reduction of codes, laws, and government reach.	12/28/2020 11:15 AM
556	Allowing/supporting businesses that want to open here that would give Nampa residents more to do locally. I specifically mention this due to the city not working with the Idaho Reptile Zoo. The lack of effort to work with them on opening here in Nampa ultimately drove them to Boise and my family, friends, and myself were so disappointed. Another place we loved to go to here locally gone.	12/28/2020 11:03 AM
557	Streets and crime. I LOVE our police department and am very grateful for them. But I sure feel like crime is increasing.	12/28/2020 11:01 AM
558	I think you've done a great job mitigating the drama and effects of Covid. I've never been more proud to live in Nampa. Yet it seems that accessibility to the library and the civic center have been needlessly denied multiple times. Arts and books are still so important and I think that they can be done in a safe way. While I'm not suggesting putting people at risk unnecessarily, I do think more thought and consideration could be put into how to reopen the library for some browsing and also to allow some performances with adequate social distancing.	12/28/2020 10:58 AM
559	Improve the city streets, the overall road quality is awful, potholes everywhere, and please increase funding winter road conditionslike snow removal and ice treatments.	12/28/2020 10:57 AM
560	More sidewalks & green belts on the west side	12/28/2020 10:44 AM
561	Plan ahead more than 1 or 2 years for infrastructure and growth needs. Stop raising property taxes. Encourage and support privately owned restaurants and shops over chains. Stop giving credence to the scientifically illiterate conspiracy theorist, looking at you, mayor!!	12/28/2020 10:44 AM
562	Control growth, significant improvement at NPD, severe efforts put into infrastructure improvement. Quit developing before the infrastructure can handle the increased volume	12/28/2020 10:41 AM
563	Nampa is a beautiful City and I am blessed to live here and raise my family. We live in a fairly tight community and our HOA makes sure our neighborhood is well kept. I appreciate the same level of care this City provides. For such a large City, the streets are well maintained as are	12/28/2020 10:37 AM

2021 City of Nampa "Your Voice Matters" Community Survey

many of the public areas, trails, parks, etc. I would love to see law enforcement and emergency services expand to meet the growth of Nampa.

564	Work on streets, parks, and schools	12/28/2020 10:36 AM
565	Stop pushing through developments. Then changing zoning for said developments. Listen to your communities. Our road infrastructure cannot handle all of the growth on the west side. We can't even get out of our neighborhood as it is and yet subdivision after subdivision is being built out here. It's insane. I can't believe anyone on the city council has to drive these roads. You okd basically 75 units of living in less than by half mile on Roosevelt Ave. potential bringing with it 150 more cars on a road that can't handle it. The light timing on Roosevelt and Midland is horrible and now a little girl has died there. Stop already.	12/28/2020 10:29 AM
566	Decrease crime/ gang violence	12/28/2020 10:26 AM
567	How about parks & recs put more money into our old baseball/softball fields. Parks and rec should be maintaining these and not putting the burden on Babe Ruth.	12/28/2020 10:24 AM
568	Invest in local businesses, listen to the community, and invite diversity in decision making. I'm so disappointed in the lack of independent leadership from the mayor - a quality that originally made me vote for her. Instead, it's more of the same - silence when a statement is needed, partisanship to maintain partyline support, and complete lack of creative, original thought. Recognize that Nampa, one of the largest cities in the state, is more than just the deep pocket, old-school business men on the city council. Or it certainly should be.	12/28/2020 10:21 AM
569	Reduce fear driven by covid	12/28/2020 10:21 AM
570	Increasing infrastructure to allow for the growing population, public transportation	12/28/2020 10:20 AM
571	We have A LOT of neighborhoods going up and we do not have any roads that are easy to access the interstate in a 10 minute time window. Traffic is starting to really become a problem and it is only going to get worse. Please fix the traffic flow going past the post office., instead of making that a right turn only, make it a straight again. That area is such a bottle neck. Please invest more in the school system and advanced educational programs like GATE programs.	12/28/2020 10:20 AM
572	Repair a road with all necessary wiring, pipes, sewer, natural gas lines, etc. needed for both the moment it is under construction AND future needs if they are known. Do NOT allow outside agencies to do their own flagging and signage that ends up sub-par and causing accidents. Pre-plan when a road will need to be closed/dug up multiple times and complete it in ONE project instead of closing 5he road 5+ times in a year for weeks at a time.	12/28/2020 10:08 AM
573	stop taking farmland for subdivisions & charge builders for all the improvements for roads, west, they make millions and poor people are paying for improvements, there are 2 people in my home and i pay 170.00 approx a month for water, sewer & trash! my bill keeps going up. Idahoans are getting pushed out of their home/state because we can not afford to live here any longer due to cost. i work full time and on my wage I can not buy a house cuz cost is so high and I pay 1450 a month in rent. I am sad to see Idaho has become this way I have lived here for 40 years and it is being destroyed by all these subdivisions & people moving here!!! Charge these people moving here, charges developer's more impact fees & make them pay for roads!! Cherry Lane is in bad shape from 11th ave ext to Franklin horrible road needs replaced!! Stop letting Canyon County be destroyed with all the building, better plan roads for the growth & building!!! Garrity is horrible abs always backed up	12/28/2020 10:04 AM
574	Take better care of streets. Build something like Indian creek in caldwell here in nampa.	12/28/2020 10:01 AM
575	Infrastructure needs help!!! Too many cars on the limited roads! Way too much traffic, especially near Midland and Marketplace.	12/28/2020 9:57 AM
576	Stop with building all the multiplex housing units everywhere especially when the infrastructure isn't in place to support them. The roads and traffic control are not built to handle it all.	12/28/2020 9:57 AM
577	Maintain the roads during winter. Slow the building, especially cramping neighborhoods together	12/28/2020 9:49 AM
578	More community events saftey events	12/28/2020 9:43 AM
579	more emphasis on parks and pathways	12/28/2020 9:34 AM
580	I don't know the best way to improve it, but the traffic is out of control!	12/28/2020 9:34 AM
581	Stop the growth of low income projects. It brings crime	12/28/2020 9:27 AM
582	More street lighting. When I moved here the first thing I noticed was how dark the streets are. I	12/28/2020 9:21 AM

think this would help with crime issues as well. We also need a more walkable city. More sidewalks will help those struggling with transportation issues, and will keep them safer when walking/biking around. I also wish there were more of a connected system of walking/biking trails throughout the city. I also see affordable housing as an issue not just in Nampa, but the whole treasure valley.

583	Eliminate the pollution from the sugar beet factory. We can't even enjoy spending time outside here because the smell is so bad all year round. Increase police presence to take care of the crime and panhandling around the marketplace. The gang violence is out of control! Provide more walking trails and better parks without letting homeless camp there. Lake view has a few homeless who live in their cars! Welcome more restaurants and shopping so we can shop and eat in Nampa! Clean up the city!!	12/28/2020 9:19 AM
584	We need to improve our downtown aesthetics and increase of restaurants, cafes, coffee houses etc.	12/28/2020 9:12 AM
585	It will be imperative to consider future growth when planning road construction projects. It feels like projects were carried out for current needs only to need to be redone in just a few years. Nampa is growing at an alarming rate and the increase in traffic and the daily difficulty in travel is making our quality of life decrease.	12/28/2020 9:02 AM
586	Increase user/impact fees to the incoming development and citizens cussing the growth of our community. The influx is inevitable, but the current tax collection rates, legislative structure, poor choices of our past administrations, and conservative council limits the municipalities ability to adequately fund growth and maintenance. There needs to be a transfer of burden to the cause not the current citizens. Increased taxation and bonds only add more burden for generations to come.	12/28/2020 8:30 AM
587	Increase police budget in order to hire more officers	12/28/2020 8:17 AM
588	Figure out how to straighten out the traffic and roads where 11th and 12th go through downtown. Oh and demolish that ugly library, its in the way. Find a place that doesn't disrupt traffic and discourage downtown visits.	12/28/2020 7:57 AM
589	Get the ag traffic out of downtown	12/28/2020 7:49 AM
590	housing market is out of control. a population of renters is not the same as residents.	12/28/2020 7:49 AM
591	The Street Dept needs to up their game.	12/28/2020 7:38 AM
592	Please install a roundabout (not traffic light) at Midland and Lake Lowell	12/27/2020 8:23 PM
593	More code enforcement and start taxing new buildings more	12/27/2020 8:31 AM
594	Focus on providing quality services to the people	12/27/2020 12:34 AM
595	Move ahead of the population growth. Our roads can't keep up, not enough police to enforce traffic and respond to various emergencies. Fix the roads. Consider public safety	12/26/2020 7:24 PM
596	More walking paths, making them bigger and more easily accessible to the public. Hire someone who is smart to plan the streets. The way this city flows traffic is to make it stop. All the traffic lights are timed to make you stop at each one instead of allowing traffic to smoothly flow through. You have roads that are large enough for 2 lanes, Middleton and midland and instead of making 2 lanes you paint lines on them forcing it to be a one lane road. Get it together and make it easier for the amount of traffic in this city to flow!	12/26/2020 3:06 PM
597	There are a very few points that are unavoidable to get from one side of town to the other and they are all congested and there are not alternatives (karcher & Caldwell, garrity/Idaho center near 84, garrity & 11th). Once you get past one of those, its smooth sailing, but they ALWAYS add 5+ minutes to an otherwise 8 minute drive.	12/26/2020 1:18 PM
598	With this Covid situation getting worse, It should be mandatory for businesses to make customers to put their masks on or leave. The Mayor isn't doing her job to inforce this problem. datory for everyone to keep a mask on. Businesses are not enforcing it. e o y for everyone to wear a mask right now. Businesses have signs outside stating so ,but as soon as a customer enter's any type of business, they take it off. AND, No One, approaches the customer to put it back or leave the building.	12/26/2020 12:33 PM
599	Build new roads. Take pressure off of Midland and Middleton.	12/26/2020 12:15 PM
600	New mayor that will do what is best for our citizens and not pander to bullies. Stand up for your most vulnerable.	12/26/2020 12:14 PM

602	Quit taking away farm lands and not allowing so many new subdivisions. We are pricing our native, or people that have loved here many years out of their own homes to welcome out of states. Sad day when the city/state changes what it was great for.	12/26/2020 11:36 AM
603	Stop the incessant growth, the highways do not support the growth that is allowed.	12/26/2020 11:22 AM
604	We just want better police protection. More police. Take care of these gangs and burglars and punks breaking into people's cars.	12/26/2020 10:47 AM
605	Community events and holiday celebrations that brings all cultures together.	12/26/2020 10:21 AM
606	Listen to the level-headed citizens, do not the radicals control the situations!	12/26/2020 9:30 AM
607	Informing the community of events. I never know when the events are happening and I know my kids would love to go to more events in NAMPA.	12/26/2020 9:06 AM
608	Continued focus on reviving the downtown area to be great for families by day and entertainment for young adults by night.	12/26/2020 8:41 AM
609	Na	12/26/2020 8:06 AM
610	The city need to focus in infrastructure and looking forward with growth. Roads and utilizes need better maintenance. Quality and size of the police force need to be addressed.	12/26/2020 8:01 AM
611	Our taxes are way to high. We have the highest taxed community in Idaho. Where are our tax dollars going? For example, look at Caldwell, where they are revitalizing their downtown & changing the perception of that community. We wasted too much money on the library and the Idaho Center. Traffic is backed up at every light. Timing on the lights is horrible. Developers take priority over citizens at city council meetings, it seems like those meeting are just a formality.	12/26/2020 7:48 AM
612	Install more round-about traffic controls. Specifically at Lake Lowell and Midland.	12/26/2020 7:47 AM
613	Slow down housing construction.	12/26/2020 7:47 AM
614	Leadership that does does the right thing for its constituents	12/25/2020 4:25 PM
615	Inforce codes regarding junk vehicles, campers, trailers and other assorted junk exposed to the viewing pubic passing front of homes. It should also apply to trash cantainers being stored in the full view of front of home. Start forcing home owners to maintain lawns and trees. Nothing worse than driving down the street and having to look at blight because the city is to complacent. If you need help policing, ask for retired volunteers. I'd be willing!	12/24/2020 2:18 PM
616	Have activities for the community to be involved with like other cities. Example Caldwell Christmas light, shows , and more. Like Meridian with free movie in the park, family activities, and other events, Boise has something going on all the time as well. Make two lane roads to handle traffic instead of putting in 2 lanes then have to rip up and add to it-- do it right the first time-- anticipate what will happenso you stop wastingtax payer money. put in sidewalks where there are none we do walk places that are unsafe that way, more lights for those who walk in the dark so we're safe. Ask the community what we want before just doing it, we live here and know what would be good to have done first as a priority over what you do.. city workers should think outside of themselves and think about what we may want, to get the ideas. There is so much to talk about but I am sure you won't even read these therefore I am going to end at this point	12/24/2020 2:53 AM
617	In two words: clean up. Code enforcement needs to stepped up for properties that have inoperable vehicles stored on lawns (or where there should be lawns), buildings/homes that look like children built them from construction site scrap, trash stored in yards, etc.. Or plots where homes have been partially demolished and then left to rot like a bomb went off and no one survived to clean up. Nampa has a reputation for being a trashy place, and this is why. I love the small town feeling of Nampa. But just because it's a small town, doesn't mean we have to be a trashy one. Some outreach programs could help people with these issues. Don't penalize them, educate them.	12/22/2020 12:42 PM
618	I would love to see the continued improvements of the downtown area. There is not reason why we can't have a similar downtown feel as Caldwell has done. Nampa has the same potential.
