**Issue Date:** 06/12/2023 **Project Name:** CED Nampa  
**Scope of Work:** Moving into building. Occupancy only. Previously was Ayrlett- Plastic Manufacturing. (NEW -Wholesale Electric Supply)

Applicant, Architect, Tenant Brady Brummett Ced  
 Owner 1 Brian Schiffer Schiffer Properties

**Tax Account:** **Urban Renewal Area:** Yes **Unit:** 4.00 ..... \$60,000  
**Permit Number:** COM-03869-2023 **Situs:** 934 N Horton St Nampa, Id 83651  
**Issue Date:** 06/21/2023 **Project Name:** Horton Creek Apt. Repair - SI: COM-03774-2023  
**Scope of Work:** Our recommendation for the corner and the side of the building is to remove the damaged exterior siding, replace the damaged sheathing and then replace the exterior siding along the damaged area.

As for the w9ing wall, the existing roof will need to be shored up prior to any repairs being made. Once the roof is secured, then the wall can be pushed back into position. the existing stud framing shall be verified by removing the siding and sheathing. This allows the wall to be anchored to the foundation with 5/8" diameter Titen Concrete screws with 5" embedment into the concrete at 24" on center. If the studs are damaged, then sister on a new stud next to the damaged stud. The new stud shall be full height and match the existing stud size. They would be nailed together with 16d at 8" on center staggered. Lastly, the sheathing and siding can be replaced to match the existing conditions.

The damaged exterior stair shall be removed and replaced to match the existing conditions. This would require new Glulam Stair Stringers. the new Glulam Stringers need to match the original stringer size. The new Treads are anticipated to be precast planks similar to the original stairs. The connection of the new Stringers shall be the same as the original connection.

A temporary stair would also be necessary to access the 2nd floor apartments. To accomplish this, we recommend first shoring up the existing roof, remove the existing stairs, construct a temp stair set and construct a guard rail.
