

Nampa Public Safety Academy

The Public Safety Academy is a course offered by the Nampa Police Department designed to increase public safety awareness. These classes are a fun and informative way for members of the public to learn more about the Nampa Police Department and other areas of law enforcement. Nampa Police personnel will introduce participants to DUI, Evidence, and 911/Dispatch procedures and class members will have the opportunity to drive police vehicles, shoot weapons and participate in a taser demonstration. The Public Safety Academy is NOT a preparation course for law enforcement careers.

There is an application process for this course. The application process allows us to maintain appropriate class sizes. **You must be 18 years of age to attend.** Applicants selected for the Academy will be notified prior to the first meeting.
