Subject: Reconstruction of 2<sup>nd</sup> Street and 3<sup>rd</sup> Streets South

Dear Downtown Nampa Resident and/or Business Owner,

This letter is to invite you to the upcoming community meeting concerning the roadway construction project being planned in Downtown Nampa during the summer of 2018. The project involves the reconstruction of the roadway on 2<sup>nd</sup> Street South and 3<sup>rd</sup> Street South from 12th Avenue South to 16<sup>th</sup> Avenue South.

The pavement on 2<sup>nd</sup> and 3<sup>rd</sup> Streets South has been repaired many times by overlay, patching and crack sealing. At this point the road needs to be reconstructed. The street corners will also be reconstructed to comply with the Americans with Disabilities Act (ADA) and Nampa Downtown Historic District Streetscape standards. Street corner and road work will be completed at the same time to minimize impact on businesses and residents.

Although construction is not planned until the summer of 2018, a community meeting is scheduled for March 14, 2017. The purpose of this meeting is to reach out to affected businesses and residents for feedback that will help minimize construction impacts. A "rolling meeting" will be held at six intersections throughout the day so that concerns specific to those areas can be discussed. Please join us at any corner and time which fits your schedule.

Intersection	Time
3 <sup>rd</sup> Street South and 13 <sup>th</sup> Avenue South	10:00 am to 11:00 am
3 <sup>rd</sup> Street South and 14 <sup>th</sup> Avenue South	11:00 am to 12:00 pm
3 <sup>rd</sup> Street South and 15 <sup>th</sup> Avenue South	12:00 pm to 1:00 pm
2 <sup>nd</sup> Street South and 15 <sup>th</sup> Avenue South	1:00 pm to 2:00 pm
2 <sup>nd</sup> Street South and 14 <sup>th</sup> Avenue South	2:00 pm to 3:00 pm
2 <sup>nd</sup> Street South and 13 <sup>th</sup> Avenue South	3:00 pm to 4:00 pm

More information and project updates can be found at the City of Nampa website <http://cityofnampa.us/2ndand3rdrebuild>. If you have any additional questions, please contact Pat Colwell, T-O Engineers, at 442-6300. We look forward to speaking with you.

Sincerely,

  
Clemente Salinas
