

### **3-4-11: INJURIOUS PESTS AND INSECTS:**

The permitting of injurious pests, or insects, or their eggs or larvae, upon any tree or trees, or shrubbery, within the corporate limits of the city, upon the property owned or in the control of any person or dedicated street or streets adjacent thereto is hereby declared to be a public nuisance. It is hereby made the duty of every owner and owners of any real property in the city to eradicate any and all injurious pests or insects, or their eggs or larvae from any and all trees or shrubbery upon the property owned or controlled by them or growing upon the public right of way between the property line and the street travelway adjacent thereto, and anyone failing to do so shall be and is hereby declared to be maintaining a nuisance.
